PART-TIME PROGRAMS - OUR POLICIES

1. Every effort is made to conduct classes as listed in this catalog. However, circumstances sometimes make it necessary for classes to be canceled, postponed or combined, or for instructors and classrooms to be changed. We are sorry for any inconvenience this may cause you.
2. Classes must reach a minimum enrollment at least four business days prior to the start date. If it is necessary for OCM BOCES to cancel a class, you will be notified by phone or by mail. You may transfer to another class or receive a full refund or tuition voucher.
3. You are enrolled as soon as your registration and payment are received, unless you are otherwise notified. A receipt will not be mailed unless requested.
4. Fees for all classes must be paid in full at the time of registration. A \$20 fee will be charged on all returned checks.
5. If it is necessary for you to withdraw from a class, please notify us.
 - A. You will receive a refund (minus a \$10 processing fee) if notification is received at least four business days prior to the start of that class.
 - B. You will receive a tuition voucher (minus a \$10 processing fee) if notification is received less than four days prior to the start of that class and before the second class session. Your tuition voucher may be used toward any part-time OCM BOCES Continuing Education course within one year.
6. Our programs are open to all persons regardless of residency. OCM BOCES affirms the right of all citizens to participate equally in our programs regardless of race, religion, sex, age, national origin, or disability.
7. Students are expected to purchase textbooks and materials as mentioned in course descriptions. Textbooks can be purchased in the Registration Office at the OCM BOCES Main Campus. If your class is scheduled for the Thompson Road Campus, textbooks for those classes will also be made available at the Thompson Road Campus the first night of class. Occasionally, classes are canceled due to low enrollment. Please make sure your class is running prior to purchasing supplies or textbooks, as texts are not returnable.
8. All parking areas and lots are designated for student use.
9. Certificates will be awarded for successful completion of classes (based on 80% attendance).
10. Although some of our classes are taught by people who are practicing financial planners, salespersons, or actively involved in a business or profession that is related to the subject they teach, we only endorse their ability as instructors, not the value of any product or service they sell.
11. We assume students recognize the risk of physical injury or damage and that they agree to take responsibility for any personal accident that might occur in the course of any activity associated with an Adult Education program.

FULL-TIME PROGRAMS - OUR POLICIES

STUDENT CONDUCT - FULL-TIME

Our expectations for student conduct in full-time certification programs is outlined in detail in our Student Handbook. As a student at OCM BOCES, you are expected to conduct yourself in a professional manner at all times. You will not engage in any behavior that endangers the safety and welfare of others, violates their rights or violates state statutes. To get a complete copy of the Student Handbook, please call 315-453-4400.

FINANCIAL AID & REFUNDS - FULL-TIME

Adult students at OCM BOCES may be eligible to receive many different forms of financial aid. A typical financial aid package may look something like this:

Average Tuition:	\$7,593
Average Pell Grant:	\$3,956
Student Loan	\$4,574

The actual cost for your education may vary. Not all students will qualify for a Pell Grant, local grant and/or student loan. Our Financial Aid Office staff will assist you in securing the best available financial aid package to suit your needs and help you attain your education goals.

Please call (315) 453-4422 in Liverpool or (607) 758-5181 in Cortland.

FEDERAL TITLE IV REFUNDS

The financial aid (Pell Grant and student loans) earned by the student is equal to the percentage of the period of enrollment completed. When a student withdraws before completing more than 60 percent of the period of enrollment, the percentage of financial aid is prorated using the Federal Refund/Repayment Policy.

The returned funds must be refunded to the following sources in this specific order:

1. Unsubsidized Federal Direct Loans
2. Subsidized Federal Direct Loans
3. Federal PLUS Loans
4. Federal Pell Grant

OUTSTANDING BALANCES

Upon termination of enrollment, any balance due to OCM BOCES (based on the school's refund policy) is payable immediately. All charges on the student's account must be paid in full prior to the completion of the training program. OCM BOCES reserves the right to withhold student transcripts and deny approval for state board examinations to any student who has an outstanding tuition balance.

Onondaga-Cortland-Madison BOCES offers specialized, short-term clock hour training programs and is a non-credit bearing institution. Therefore, the institution does not allow students to transfer between programs within the facility.

WITHDRAWAL OR DISMISSAL FROM SCHOOL AND REFUND POLICY

I understand if I decide to withdrawal from school after beginning attendance I must notify my program coordinator of my intent in writing, in person, or by phone. If withdrawal or dismissal occurs after the start of the program, tuition liability will accrue as follows:

- Withdrawal prior to the first day of class will require a \$50 processing fee
- Up to 5% of authorized program hours offered, 20% of tuition will be charged

- Up to 20% of authorized program hours offered, 50% of tuition will be charged
- Up to 30% of authorized program hours offered, 75% of tuition will be charged
- Over 30% of authorized program hours offered, 100% of tuition will be charged

Tuition payments of more than \$5.00 in excess of the amount owed will be made within 45 days of the last date of attendance.

CREDIT EVALUATION POLICY FOR VA RECIPIENTS

OCM BOCES will inquire about the previous education and training of each veteran or veterans who are eligible for benefits and request transcripts from all prior institutions, including military training, traditional college coursework and vocational training. Previous transcripts will be evaluated and credit will be granted, as appropriate.

ACADEMIC CALENDAR & GRADING

Full-time certification courses generally begin in the fall and winter. Please see specific programs for detailed start/end dates. Part-time courses run throughout the academic year. Specific class times/dates are noted in this course catalog. Grading is based on hands-on evaluations, tests, quizzes and in-class assignments.

TRANSFER POLICY - FULL-TIME PROGRAMS

TRANSFER POLICY (COSMETOLOGY ONLY):

Students transferring from another institution must provide official transcripts of any previous education received, including documented clinical hours. A prospective student's clinical competency skills will be assessed by the cosmetology instructor to determine his or her level of proficiency. The instructor and/or program coordinator will then determine the number of OCM BOCES clock hours required to complete the New York State licensing requirements. Tuition will be prorated based on the number of hours to be completed. Transfer students will be responsible for providing all kit supplies, including a mannequin.

Please Note: Transfer students must be enrolled for a period of 100, 300 or 700 clock hours.

TRANSFER FROM OTHER INSTITUTIONS:

Onondaga-Cortland-Madison BOCES offers specialized, short-term, clock-hour training programs and is a non-credit bearing institution. Therefore, with the exception of the Cosmetology Program, we do not allow students to transfer credits or clock hours from other institutions. (See above for Cosmetology transfer students.)

TRANSFER WITHIN THE INSTITUTION:

Due to the specialized content in each of our vocational training programs, clock hours attended are only applicable to each individual program. No transfer between training programs is accepted. Students are free to withdraw from a program and re-apply to another at the next scheduled start date. Acceptance to the new program will be based upon fulfilling all prerequisites and available space.
