Fountas & Pinnell

Leveled Literacy Intervention for Primary, Intermediate & Middle/High School Students (Grades K-12)

"Prevent literacy difficulties before they turn into long-term challenges."

—Irene Fountas & Gay Su Pinnell

2016-2017

Leveled Literacy Intervention for Middle/High School (6-12) and Intermediate (3-5) Students

The Fountas & Pinnell Leveled Literacy Intervention (LLI) Systems for Intermediate & Middle/High School students are systematic small-group supplementary interventions used to bring struggling readers and writers to grade-level competency through intensive, supportive lessons and engaging leveled books. These Systems are designed for students who are reading below grade level. It is a supplementary intervention program that supports RTI (Tier 2 & 3) through focused small group instruction in reading and writing.

Leveled Literacy Intervention for Primary (K-2) Students

The Fountas & Pinnell Leveled Literacy Intervention (LLI) Systems for Primary School students are systematic small-group supplementary interventions used to bring struggling readers and writers to grade-level competency through intensive, supportive lessons and engaging leveled books. These Systems are designed for students who are reading below grade level. It is a supplementary intervention program that supports RTI (Tier 2 & 3) through focused small group instruction in reading and writing.
