## SPOTLIGHT

### New Tech Schools Embody 'Portrait of a Graduate'

Our OCM BOCES "New Tech" high schools — Innovation Tech in Syracuse and Seven Valleys New Tech Academy in Cortland — exemplify the New York State Portrait of a Graduate. Through Project-Based Learning (PBL), students dive into meaningful, real-world projects that spark creativity, strengthen critical thinking, and build strong communication and problem-solving skills within a collaborative and inclusive school environment. Beyond the academic rigor of PBL, New Tech students are also encouraged to become self-reflective, responsible global citizens, fully bringing the Portrait's vision to life.

### Promoting Attendance

*School is better with YOU!* That's the positive, spirited message we're sharing with students across OCM BOCES as we spotlight one of our top priorities for 2025-26: strong, consistent attendance. From vibrant signs and T-shirts to ParentSquare messages and bulletin boards, OCM BOCES is making this message impossible to miss! Committees across our Student Services programs are diving into attendance data and implementing strategies to encourage strong attendance. A key part of this effort is partnering with our OCM BOCES families to ensure every student is in school, on time and ready to learn.

### Level Up! Video Game Design is Here

Creating video games offers a fun, inspiring and intellectually challenging feat for a growing number of students. That's why OCM BOCES' Media Marketing Communications program at WCNY in Syracuse will now offer a unit on video game design as part of its curriculum. The hands-on, project-based nature of game design allows students to cultivate their design, art and technical expertise while also building skills such as problem-solving, communication, and understanding the needs of video game players. Best of all, students will continue to learn within a real-world business setting at WCNY, working alongside WCNY staff on projects across TV, radio, social media, web and print platforms.

### CAREER & TECHNICAL EDUCATION

Students who earn a Career & Technical Education endorsement on their high school diplomas have met rigorous academic and industry standards that are recognized by employers and colleges across the United States.

In 2025, these seniors from Lafayette were eligible for CTE endorsements:

- Ryan Cawley,
- Tanner Clemens,
- Jadyne Jefski

## OCM BOCES & LAFAYETTE = STUDENT SUCCESS

Within the OCM BOCES STAR (Skills Toward Adult Responsibility) classroom at Homer Junior High School, students and staff emphasize the importance of kindness through a "feather system," where students earn feathers for demonstrating kindness and respect toward others. In Native American culture, a feather is a symbol of admiration and friendship.

LaFayette seventh-grader Grant Thomas frequently earns feathers, said his teacher, Lori Fiumara. He also takes great pride in this acknowledgment, enjoying the opportunity to share his Native American heritage and culture with his teachers and peers.

The feather system is just one of many reasons the STAR program has been an excellent fit for Grant, who has been enrolled in the program for two years. He is thriving in his coursework, benefitting from the additional academic support that helps him successfully meet his goals, Fiumara said. Grant is also building many meaningful friendships within the school community.

"Grant has benefitted from our program academically and socially due to the smaller classroom size, the diverse population, a modified curriculum and additional support," Fiumara said.

In addition to learning within the STAR classroom, Grant has the opportunity to push in to general education classes with the support of a teaching assistant.

Grant's love of sharing his Native American heritage adds a sense of richness and perspective to the classroom community, Fiumara said. He's also a role model for his peers, offering an infectious smile and laugh, a consistent display of kindness and helpfulness to others and a "great sense of humor," she said.

His mother, Brooke, credits the program for increasing Grant's confidence in all aspects of life, especially in his willingness to participate in activities he was previously reluctant to try.

Outside of school, Grant is very athletic, playing lacrosse for the Redhawks on the Onondaga Nation, soccer for LaFayette Junior/Senior High School, and hockey.

Inside and outside the classroom, "Grant is an awesome team player!" Fiumara said.

## DID YOU KNOW?

The Onondaga Nation school continues to focus on fostering a harmonious learning community and taking action to fulfill their committee's plan. Some of the actionable steps include: celebrating school community members in a central visible area, creating an appreciation calendar to celebrate roles within the school community, deciding professional learning topics and dates, and developing common instructional phrases in the Onondaga language for all classrooms. To advance this work, team members have formed subcommittees, and implementation is taking place.
