From the Board

The Fayetteville-Manlius Central School District Board of Education is seeking an exceptional leader to serve as its next Superintendent of Schools.

Our suburban school district, which lies about 10 miles southeast of Syracuse, serves more than 4,200 students from the villages of Fayetteville and Manlius and surrounding areas. Our six schools include three elementary schools, two middle schools, and one high school.

Since its establishment in 1951, the district has benefited from consistent leadership, with only six superintendents at the helm. This stability has contributed to the district's state and nationally recognized achievements in academics, athletics and the arts.

Our district is committed to building upon this academic excellence by focusing on authentic learning experiences, civic responsibility, and innovative programs. Our mission emphasizes fostering meaningful relationships, honoring and affirming our students' diverse identities and experiences, supporting their overall well-being, and promoting continuous improvement in the following areas: teaching and learning, school environment, service learning and community partnerships, and fiscal capacity and responsibility.

Thank you for your interest in leading the Fayetteville-Manlius Central School District. We look forward to receiving your application.

Sincerely,

*The Board of Education
