2026 OCM BOCES Regional Summer School

Attendance Information

All students are expected to attend every day. Summer School consists of one 12-day and one 16-day semester, any absences could impact success. Students who miss more than three (3) days of any one course **may** be dismissed from summer school. If participating in a double block course absences from three (3) blocks **may** result in dismissal. Occasionally, extenuating circumstances may arise and every effort will be made to accommodate students in those rare situations. Vacations, sports and work obligations are not valid reasons to miss classes. Please plan accordingly. Courses tied to Regents exams will be offered in semester 2.

Course Times:

- Students assigned to Block 1 will attend from 8:00-10:10 AM
- Students assigned to Block 2 will attend from 10:20-12:30 PM

Final Average/Course Credit

The home school district will determine whether a student passes or fails and will award credit accordingly based in part on performance data provided by OCM BOCES. Questions about final grades **must** be addressed with the home district. OCM BOCES staff members cannot provide grades to parents or students.
