OUR LITERACY PROGRAMS

- We offer literacy classes geared toward individual student academic levels.
- Day and evening classes are available.
- A distance-education program is available for those who are unable to attend regular classes and are over 21.
- Classes are FREE of charge for students without a high school diploma or equivalency.

Please see the next page for more detailed information on our literacy programs.

DID YOU KNOW?

New York State's High School Equivalency Exam is called the TASC.

HSE (HIGH SCHOOL EQUIVALENCY) PREPARATION

Improve your skills to pass New York State's TASC test to earn a high school equivalency diploma. For further information, call (315) 453-4672.

CLASSROOM LOCATIONS FOR HSE PREP

LIVERPOOL

OCM BOCES MAIN CAMPUS
110 Elwood Davis Road

Day Classes
Mon - Thurs 8:30 AM - 11:30 PM
Mon - Thurs 12:30 PM - 3:30 PM

Evening Classes
Mon - Thurs 5:00 PM - 8:00 PM

2021 TASC TEST DATES

Syracuse
November 19 & 20

Cortland
December 10 & 11

For more information please call 315-453-4672.

TASC tests are held at Main Campus and in Cortland. Test dates, once available, are subject to enrollment.

*Those enrolled in a preparation program receive preferential seating.

OCM BOCES is a member of the New York State Association for College Admission Counseling.

DID YOU KNOW?

If you passed a Regents exam, it can replace a sub-test on the TASC test.

Call for details.
HIGH SCHOOL EQUIVALENCY & LITERACY PROGRAMS

NATIONAL EXTERNAL DIPLOMA PROGRAM

The web-based high school equivalency diploma program assesses student knowledge in eight competency areas, including: Cultural Literacy, Health Literacy, Civic Literacy and Community Participation, Consumer Awareness and Financial Literacy, 21st Century Workplace Skills, Geography and History and Science, as well as foundation skills in communication and technology. Candidates work from home and meet weekly with an assessor. This program is designed for adults who have work skills, training and/or life experience. Candidates must be 21 or older and have internet access.

For information, call (315) 453-4672 or (315) 453-4662.

DISTANCE EDUCATION

Do you want your high school equivalency diploma but are unable to attend class? Prepare for the TASC exam in your own home. Materials will be sent to you through your local library. In-house tutoring is available.

For more information, call (315) 453-4672 or (315) 453-4686 or (315) 453-4682.

DISTANCE EDUCATION FOR OUR ESL/ESOL STUDENTS

Learn English from home. One option for adult ESL students is Crossroads Café, an award-winning television and print series for learning English as a Second Language (ESL/ESOL) that combines 26 half-hour dramas with multi-level print materials to meet the needs of adult ESL learners. Additional materials will be provided to help students work on reading, writing, listening and speaking while at home.

DENISE TOLENOA - OFFICE TECHNOLOGY

Six years ago, when Michaels opened its doors in Destiny USA, Denise Tolenoa of Camillus played a key role in launching and operating the large arts and craft store. Just a few months later, however, she was searching for a new career. A knee injury from her childhood had been steadily growing worse, making it difficult for her to stand and walk for long stretches.

Her doctor made it clear.

“He told me, “Find something else,” she said.

Eventually, at the urging of a friend, Denise found a job at Excellus Blue Cross Blue Shield. She did not have to walk or stand all day, but she quickly discovered that answering phones for hours in a vast call center was not her “cup of tea.”

One day, an OCM BOCES Adult Education course catalog arrived in the mail. Denise took it inside and did what she had done for years — riffled through it, looking to see if any of the BOCES classes would capture her attention.

It did. The six-month Office Technology Program offers a specialty in medical billing & coding. The class fit perfectly with Denise’s goal — to work in a much smaller medical office. She signed up.

“I learned so much in the first few weeks of this class, more than I had ever learned before,” she said.

Denise credits her instructor, Lisa Persons, for being knowledgeable, patient and “amazing” with her class. As a 54-year-old wife and mother of two adult children — and as someone who had worked in retail operations all her life — Denise wasn’t expecting the transition to office life to be as smooth as it was. She was pleasantly surprised.

Even before the class was finished, Denise applied for a job with Associated Gastroenterologists of CNY. Two days later, she was hired. Every day, as part of her job in the Camillus business office, Denise uses the Medent software she learned in the Office Technology program.

“I absolutely love it,” she said of her new position. “Taking this course has opened up a whole new career for me.”

HENRY STEIDEL-ORTIZ - HVAC/R

When he was 14 years old, Henry Steidel-Ortiz moved to Syracuse from Puerto Rico with his mother and younger brother “to get that American dream everyone talks about.” Eventually, he found his passion: working as a technician in the field of heating, ventilation, air conditioning and refrigeration, or HVAC/R.

Henry started his HVAC/R journey after graduating from Corcoran High School. He initially tried two semesters of college to explore the field of aviation, but, when that didn’t work out, he turned to OCM BOCES.

Henry said it was a good decision because he had always been “mechanically inclined,” enjoyed using tools, was committed to working with his hands and wanted a busy, challenging career that did not involve sitting in an office. He was also intrigued with HVAC/R, calling it “something magic” he wanted to learn more about.

During his six months at OCM BOCES, Henry gave the class “200%,” often finishing assignments early so he could learn more and explore on his own.

“Joe’s class was amazing,” he said, referring to HVAC/R instructor Joseph Miuccio. “It gives you that critical thinking you need to diagnose something.”

Henry learned HVAC/R fundamentals at BOCES, such as checking for leaks, pulling vacuums and diagnosing furnaces. The program also gave him opportunities to learn from industry professionals. Henry rode in trucks with senior technicians as part of job-shadowing experiences at three local companies, including ABC Refrigeration & HVAC in Syracuse.

When ABC Refrigeration offered Henry a full-time job, he jumped on it. He’s been working at the company for almost two years, earning regular pay increases and marking a comfortable living at age 21. Every day, he said, brings a new repair and a new challenge.

“You’re always going to find something different,” he said. “You’re always going to find something new — a brand new refrigerated case, or a brand door for a refrigerated case. It’s like, ‘Oh, look, they updated the design. Now we have to figure out how that works.’ ”

Henry often works 70 to 80 hours a week. He describes his work as his “passion.” He cautions that others entering the trades should be mentally prepared for demanding, time-consuming work that will ultimately be rewarding if they have the determination to do well.

“You have to work hard,” he said, “but you can make it happen.”

Train for a rewarding career in one of the fastest-growing occupations in the medical profession. Work with physicians and other health professionals, assisting with the delivery of high-quality health care. Students learn both the administrative and clinical aspects of working in the medical office, including: word processing, HIPAA requirements, medical office procedures, and medical billing including ICD-10 and CPT-4 coding. Clinical coursework includes infection control, vital signs, medical office laboratory tests, pharmacology, EKGs, medical specialty assisting, and phlebotomy. The program includes a four-week clinical experience in a health care facility. Upon completion, students can sit for the Certified Clinical Medical Assistant exam.

The Central Sterile Processing Technician is responsible for the procurement of surgical supplies and sterile equipment. Central Sterile Processing Technicians provide support to all patient-care services, including diagnostic and surgical application in a health care facility. They are responsible for cleaning, decontaminating, processing, assembling, sterilizing, storing and distributing the medical devices required for patient care. The 21-week training program includes the basics of medical terminology, anatomy and physiology, microbiology, infection prevention and control, principles and methods of the sterilization process, cleaning, decontaminating, processing, packaging, distributing, storing and inventory control of sterile goods, instruments, trays and equipment. Also included is a 200-hour internship component at a local health care facility. Students completing the program can sit for the Certification Board for Sterile Processing and Distribution (CBSPD) certification.

**Tuition:** $7,900*  
**Median student loan:** $3,404  
**Graduation Rate:** 75%

**U.S. Dept. of Labor:** www.bls.gov/SOC

*Tuition subject to change. Estimated books for books, supplies & fees is $508, with another $195 in optional costs.  
*Cortland option based on enrollment.
COSMETOLOGY

Cosmetology is an adult program designed to prepare students for a career in the appearance enhancement field. Classes follow the New York State approved curriculum required for taking the state licensing exams. The Cosmetology program offers students the opportunity to practice their skills during regular classes and clinics. An advanced placement option is also available to students who have already completed partial training.

OFFICE TECHNOLOGY

Begin with the office basics of keyboarding, letter writing, business English, filing, and the use of various office machines, including desktop computers, copiers and multi-line telephone systems. Each one of these focus areas requires a four-week internship to complete the program. Students may specialize in one or more of the following areas:

OFFICE SUPPORT SPECIALIST

Continue to develop skills required to be proficient in a business office setting. This program is designed for people who are looking to take their basic computer skills to the next level. The curriculum includes Microsoft Windows®, Word®, Excel®, PowerPoint®, and Access®, in addition to incorporating the administrative skills needed for a variety of office-related careers.

*Tuition subject to change. Estimated fee for books & supplies is $100.

MEDICAL BILLING & CODING

Learn necessary medical and technological skills for entry-level medical billing and coding. The curriculum includes training in medical terminology, anatomy and physiology, medical office administration and medical billing and coding, utilizing the new ICD-10-CM as well as the current ICD-10-CM, along with computers and more general administrative skills. Class will also focus on electronic medical health care record management with state-of-the-art Medent software. Basic computer knowledge such as downloading files, accessing email, uploading files, and navigating the internet is recommended.

**Tuition:** ................................................. $8,100*
**Median student loan:** .......................... $3,899
**Graduation Rate:** ................................. 75%
**Job Placement Rate:** ............................. 95%
**Program Length:** .................................. 780 Hours
**Start Date:** .......................................... March 2022
**End Date:** ........................................... September 2022

*Tuition subject to change. Estimated fee for books & supplies is $320.
**WELDER/FITTER**

This intensive, hands-on training program offers participants the opportunity to become a member of a well-paying, skilled profession. Students will develop an understanding and proficiency in the areas of shop math, basic drafting, blueprint reading, safety, and the use of oxy-acetylene and plasma-arc cutting equipment. MIG (GMAW), TIG (GTAW), Flux-Core (FCAW) and Stick (SMAW) welding processes will be taught in all positions, as well as an introduction to basic pipe-welding processes. Training follows the standards set by the American Welding Society (AWS). The program includes job shadowing and a four-week internship. Upon completion of the program, students will have an opportunity to obtain AWS D1.1 Welder Qualification. Welders are employed in industrial settings such as manufacturing, heavy construction, and repair shops.

**CONSTRUCTION TRADES**

This is a comprehensive introduction to all aspects of residential building construction from foundations to rough and finished carpentry. Skills will be taught through classroom instruction, job shadow experiences and a four-week internship with a local contractor, builder or home remodeling company. Topics will include hand and power tools, construction math, blueprint reading, masonry, rigging, electrical wiring, basic plumbing, framing, roofing, and finishing. Hands-on training and projects will reinforce all classroom learning. A student tool kit will be provided and will include the fundamental tools of the trade.

*Tuition subject to change. Estimated fee total books, tool kit, fees and exams is $610.
LEWIS CARINCI is an AWS/ASME certified welder with 37+ years of experience in welding and fabrication. He has a degree from Herkimer Community College in business administration and a degree from Cornell University in county government laws and procedures. He also graduated from the Schenectady Modern Welding School.

LARRY CASEY is a graduate of Onondaga Community College with a degree in business administration. He has 30 years of experience working in the electronics and mechanical fields. He is a certified proctor for BPI and a certified EPA/HVAC technician.

GORDON MCCAFFER is a nationally certified AWS D1.1 Code Welder (#1402161W) with 38+ years of experience in welding, custom fabrication and manufacturing. He also holds a NYS DOT Welding Certification (all-position/unlimited thickness). Prior to OCM BOCES, he was an ASME code-qualified pressure-vessel welder for a large local manufacturer. This included 6G (all position) pipe welding using multiple welding processes. He is an OCM BOCES graduate and has an A.A.S. in Business from Onondaga Community College. He has been an AWS District Welding Educator of the Year. He has a NYS Adult Education Certification.

JOSEPH MIUCCIO has an M.S. in vocation technical education and B.S. in industrial arts from SUNY Oswego. He holds Building Performance Institute (BPI) certifications in Building Analyst, Envelope Professional, Heating Professional and RESNET.
MEET OUR INSTRUCTORS

JOHN SWEENEY is a graduate of Virginia Commonwealth University with a B.A. in English. He completed a master’s degree in secondary education at SUNY Oswego. He holds a NYS Code Enforcement Certification and is a certified instructor through the National Center for Construction Education and Research (NCCER).

COSMETOLOGY

DAWN IOZZO has 35 years of experience in the salon industry. She holds a NYS Cosmetology License, certification for teaching Adult Education, as well as a certified NYS Cosmetology examiner. Dawn has been successful as a salon stylist/salon manager. She found her true passion for the industry as an educator and training manager at MATRIX/L’Oreal, where she facilitated advanced cutting and coloring programs to stylists in salons as well as training other trainers to train in salons.

OFFICE TECHNOLOGY

LISA PERSONS has more than 20 years of experience in the education, finance, and medical fields. She holds a NYS teaching certification in Adult Education, a BA in English Literature from SUNY Oswego, and an MA in Education with an emphasis on Learning and Emerging Technologies from SUNY Empire. In addition, she holds an advanced degree in STEM education from SUNY Empire. She excels in instructional design, using cutting-edge technology to teach content to her students. Along with content, she enjoys working with her students on cultivating their individual soft skills and developing their industry portfolio.

HEALTH OCCUPATIONS

NANCY CHAPPELL re-joined the OCM BOCES Adult Education program after working as the full-time Dental Assisting instructor for 14 years, from 2001 to 2015. After leaving her instructing position in 2015, Nancy worked as a dental sales representative and dental office manager. In total, she has 30 years of experience in the field. Nancy graduated from the PIMA Medical Institute in Denver in 1989 and was certified by the Dental Assisting National Board in 1993. She has been a NYS Certified Dental Assistant since 2000.

JAMIE TROUTMAN, NRCMA, is a 2011 graduate of the BOCES Medical Assisting Program. She has worked in a variety of medical settings, including general surgery, pain management and neurology. She excels in both the clinical and administrative sides of medical assisting.

PRACTICAL NURSING

COORDINATOR:

AMANDA PEET, BSN, RN holds a bachelor’s in nursing from Roberts Wesleyan College.

INSTRUCTORS:

MICHELE CALIVA, MA, RN, completed her master’s degree training at the Naval Post Graduate School.

STEPHANIE DELAHUNT, MSN, RN holds a master’s degree in nursing from Excelsior College

ANDREA JONES, BSN, RN holds a bachelor’s degree in nursing from SUNY Delhi

JASON LABATOS, RN, holds an A.A.S. in nursing from Onondaga Community College.

JACKIE NEVERETTE, BSN, holds a bachelor’s degree from Le Moyne College.

BRENDA PARKER, BSN, RN, holds a bachelor’s degree in nursing from Excelsior College.

MIKAELE RUTTER, BSN, RN holds a bachelor’s degree in nursing from Le Moyne College.

STACY SEVERIN, MSN, RN, holds a master’s degree in nursing education from SUNY IT.

SUSAN SQUADRITO, BSN, RN, holds a bachelor’s degree in nursing from Franciscan Missionaries of Our Lady University.

MARK TRUEx, RN, holds an A.A.S. in nursing from Tompkins County Community College.

CAROL VIGLIOTTI, MS, BSN, RN, obtained a bachelor’s degree in nursing from Keuka College and an master’s degree in health services administration from The New School. She completed her vocational teacher education at SUNY Oswego. In addition, she holds a NYS Permanent Teaching Certificate in Licensed Practical Nursing and Business.

CHARLENE YOUNG, MS, RN, holds a master’s degree in nursing education from Le Moyne College.

COMPUTERS

INTRO TO COMPUTERS
Become familiar with computers in a non-threatening setting. In this hands-on class, you will learn about the basic hardware of a PC and become skilled at using a mouse. Learn to create, save and retrieve a file and learn about creating and changing directories and drives. Become familiar with the terms “word processing,” “database,” and “spreadsheet,” among others, and how they relate to your new world of computer literacy. Now using Windows 10. Textbook required. No experience necessary.*

CECOM5000Win5 1/10/22 - 2/7/22
CECOM5000Spr5 3/21/22 - 4/11/22
Monday $135.00
Jean Duva 4 Sessions
12:00 PM - 2:30 PM Main Campus

INTRO TO WINDOWS 10
This class offers an easy way to become familiar with the Windows system. Explore the basic features of Windows 10, including the task bar, desktop, start menu, developing shortcuts, drag-and-drop, recycle bin, and control panel. Create folders to manage files and documents. Use Explorer to locate files. Learn about installing or uninstalling hardware and software, plug-and-play, and other features of Windows. Create, delete, or rearrange icons, customize your desktop and start menu. Learn about passwords and security within the Windows environment. Prerequisite: Introduction to computers or equivalent experience. Textbook required.* Please bring a flash drive to class.

CECOM5430Win5 2/14/22 - 3/14/22
CECOM5430Spr5 4/18/22 - 5/9/22
Monday $135.00
Jean Duva 4 Sessions
12:00 PM - 2:30 PM Main Campus

EXCEL® 2016 1
This class covers the basics of entering and editing entries, selecting cells and ranges, creating basic formulas and functions, absolute formulas, AutoSum and multiple-sheet workbooks. Includes modifying columns, row heights, hiding columns and rows, text alignment, and printing entire worksheets and worksheet selections. Experience with Windows recommended. Text required.* Please bring a flash drive to class.

CECOM5521Spr5 3/1/22 - 3/22/22
Tuesday $145.00
Frank McCarthy 4 Sessions
6:00 PM - 9:00 PM Main Campus

EXCEL® 2016 2
Prerequisite: Excel® Level I or equivalent experience. Text required.* Please bring a flash drive to class.

CECOM5526Spr5 3/29/22 - 4/19/22
Tuesday $145.00
Frank McCarthy 4 Sessions
6:00 PM - 8:30 PM Main Campus

EXCEL® 2016 3

  - 4/30/22 - 6/11/22
  - Saturday
  - $255.00
  - David Trembley
  - 6:00 AM - 8:00 PM
  - Main Campus

**BUILD A WEBSITE FOR FREE**

Ever wanted to learn how to create your own website for free? This practical, hands-on class will give you the opportunity to create a website tailored to your own personal interests. Give yourself the chance to promote your business, create a personal website for your friends and family, or help your local community organizations spread their message across the globe. With this class, you will receive the instruction and materials to build your own website in session and learn the skills that will allow you to edit and further develop the website in the future. Just like the World Wide Web, the possibilities are limitless! Basic computer knowledge required. Please bring a 3" binder to first class.

- **CECOM1000Spr5**
  - 4/6/22 - 4/27/22
  - Wednesdays
  - $79.00
  - Bonnie Strunk
  - 6:30 PM - 9:00 PM
  - Main Campus

**MAKE YOUR OWN SPA DAY**

Make-n-take with essential oils. You deserve to be pampered and enjoy a fun evening. Join us to make these great creations using essential oils and other natural products. We will be making three take-home items to spoil and relax you. Bring your friends. Everything is more fun when you are with your tribe. Please bring $15 to class payable to the instructor.

- **CEPER1500Spr5**
  - 5/11/22
  - Wednesday
  - $39.00
  - Christine Taylor
  - 6:00 - 8:00 PM
  - Main Campus

**SECRET MAGIC OF THE CORRECT COLORS**

Learn how to look younger, healthier, and thinner by wearing your correct colors! Bright, beautiful colors surround us everywhere, and their effect on our appearance is amazing! Find out how the seasonal color theory works and discover the best colors for you. You will receive a professional and individualized color analysis. You will leave knowing your best colors and how wearing your right colors can help you look 10 pounds thinner and years younger. Please bring $15, payable to the instructor, for materials needed.

- **CECOS0422Spr5**
  - 4/12/22
  - Tuesday
  - $39.00
  - Dianne Stancampiano
  - 6:30 PM - 9:30 PM
  - Main Campus

**I HAVE NOTHING TO WEAR! LEARN HOW TO LOOK 10 POUNDS THINNER & 10 YEARS YOUNGER**

Have a closet FULL of clothes and NOTHING to wear? Get the “skinny” on what wardrobe styles and silhouettes are most flattering no matter your shape and learn the art of dressing with ease. Learn your figure and how clothing can help your diet along through proportional dressing! How many of us can say we are a perfect size 8 or 10? How many times have you been able to buy a garment that needs no additional tailoring? Few of us have perfect figures, and that’s why proportional dressing is so important in creating a successful image. By recognizing and accepting your figure’s strengths and weaknesses, you can make adjustments to your wardrobe that will flatter and enhance your looks. Receive Personal Image Information that will recommend wardrobe, makeup, hair and accessories based on your physical characteristics, coloring and fashion personality. Please bring $25, payable to the instructor, for materials needed.

- **CECOS0450Spr5**
  - 5/10/22
  - Tuesday
  - $39.00
  - Christine Taylor
  - 6:30 PM - 9:00 PM
  - Main Campus

**GET YOUR GLAM ON, LEARNING MAKEUP LIKE A PRO**

Unleash your inner beauty with a class on makeup application. Learn professional tips and tricks for a soft, finished makeup you can use. Does the selection of makeup make it difficult for you to decide what’s best for you? Learn what's available and what to look for when purchasing makeup, and how to apply it correctly. Find ways to look your best. Products used in the class will be from TruAura Beauty, a clean, microbiome-friendly line. This class is best suited for ages 16 and up. We will follow mask mandates with CDC guidelines. (Bring your makeup bag and call 315-453-4650 for items needed for class.)

- **CECOS0420Spr5**
  - 3/22/22
  - Tuesday
  - $39.00
  - Dianne Stancampiano
  - 6:30 PM - 9:30 PM
  - Main Campus
CULINARY

COOKING 101 - KITCHEN BASICS
This class is designed specifically for the beginning cook who has little or no cooking experience. Over a three-week period, we will focus on beginner knife skills, basic cooking definitions, and basic cooking techniques. This class will give you the skills you need to prepare simple recipes with success. If you’ve ever had the desire to cook, this class is for you!

CEET0101Win5 1/13/22 - 2/23/22
CEET0101Spr5 3/17/22 - 5/23/22
Wednesday $159.00
6:00 PM - 9:00 PM 3 Sessions
Michael Fitzgerald Thompson Road Campus

COOKING 102 - BASIC MEAL PREPARATIONS
This class follows Cooking 101 to expand your basic cooking skills and ultimately prepare full-course meals, from soup to dessert. By the end of this class, you will be able to impress anyone with your cooking skills and tackle almost any recipe with success. This class is also great if you already have some basic cooking skills and want to expand your knowledge base.

CEET0102Win5 2/9/22 - 2/23/22
Wednesday $159.00
CEET0102Spr5 4/14/22 - 4/28/22
Thursday $159.00
6:00 PM - 9:00 PM 3 Sessions
Michael Fitzgerald Thompson Road Campus

COOKING 103 - ADVANCED COOKING SKILLS
The last of the basic cooking classes. In this class you will master your knife skills, learn more advanced cooking techniques and learn how to read and follow recipes to create advanced culinary creations.

CEET0103Spr5 5/18/22 - 6/1/22
Wednesday $159.00
6:00 PM - 9:00 PM 3 Sessions
Michael Fitzgerald Thompson Road Campus

COOKING WITH KIDS - BASIC
This class will foster the desire of any child who has an interest in the culinary arts. In this class, we will make a hot dog salad, chicken noodle soup, chicken cordon bleu, twice-baked potatoes, creamy macaroni and cheese, homemade meatball sandwiches, and a strawberry trifle for dessert. This class is designed for 7- to 15-year-old children with an accompanying adult. Class is limited to eight groups of two.

CEET0424Spr5 3/17/22 - 3/24/22
Thursday $69.00
6:00 PM - 9:00 PM 1 Session
Michael Fitzgerald Thompson Road Campus

COOKING WITH KIDS - BRUNCH
This is a fun way to learn some great recipes and experience some great one-on-one time with your child. In this class, we will prepare quiche Lorraine apple croissant bread pudding, cheese strata with bacon tomato, chicken and biscuits, easy eggs Benedict, potato hash, and roasted vegetable salad. After this class, you will both be able to throw a great brunch for the whole family. This class is designed for 7- to 15-year-old children with an accompanying adult. Class is limited to eight groups of two.

CEET0601Spr5 5/26/22 - 6/2/22
Thursday $69.00
6:00 PM - 9:00 PM 1 Session
Michael Fitzgerald Thompson Road Campus

COOKING WITH KIDS - DESSERTS
This is a fun way to bond with a child and experience some great one-on-one time as you both prepare some very tasty desserts. We will make chocolate mouse cupcakes, mixed berry tarts, almond bread, strawberry whipped cream cake, chocolate chip pie, and apple cheesecake strudel bars. Get ready to have a really sweet time! This class is designed for 7- to 15-year-old children with an accompanying adult. Class is limited to eight groups of two.

CEET0600Spr5 5/4/22
Wednesday $69.00
Michael Fitzgerald Thompson Road Campus
6:00 PM - 9:00 PM 1 Session

MORE COOKING WITH KIDS
This class is a continuation of the original “Cooking with Kids” course with new recipes that are a bit more difficult than the previous ones. In this class, we will prepare homemade chili with corn bread, shrimp scampi over pasta, beef Wellington with a brown sauce, chocolate cream pie, sausage with potato and roasted red pepper salad and stuffed pork chops. This class is designed for 7- to 15-year-old children with an accompanying adult. Class is limited to eight groups of two.

CEET0602Win5 1/12/22
Wednesday $69.00
Michael Fitzgerald Thompson Road Campus
6:00 PM - 9:00 PM 1 Session

DID SOMEONE SAY OKTOBERFAST?
In this class, we will prepare all those German classics that will bring you straight to the Black Forest. We will make German potato salad with bacon dressing, sauteed pork chops with sweet and sour red cabbage, bratwurst with apples, onions and sauerkraut, chicken in Riesling, Wiener schnitzel with herbed spaetzle in brown butter, and a classic apple strudel.

CEET0429Spr5 5/19/22
Thursday $69.00
Michael Fitzgerald Thompson Road Campus
6:00 PM - 9:00 PM 1 Session

VOILA! AN EVENING OF FRENCH FOOD
The flavors of France will be explored in this class of classic French dishes. In this class, we will prepare an onion tart, haricot verts and red onion salad, ratatouille, steak au poivre, chicken chasseur, Coquilles St Jacques, and to finish it off — coffee-caramel crème brûlée. A votre sante!

CEET0911Spr5 4/7/22
Thursday $69.00
Michael Fitzgerald Thompson Road Campus
6:00 PM - 9:00 PM 1 Session

MEDITERRANEAN COOKING
In this class, we will move out of Greece to some neighboring countries. We will make chicken gyros with cucumber salsa and tzatziki sauce, red potatoes with olives, feta and mint lamb meatballs, Turkish pork kabobs, “B’steeya” — a chicken filled pastry — baba ganoush with pita chips and vasilopita for dessert. By the end of the night, you will feel like you just left a cruise of the Mediterranean.

CEET0433Win5 2/3/22
Wednesday $69.00
Michael Fitzgerald Thompson Road Campus
6:00 PM - 9:00 PM 1 Session

A NIGHT ON THE BAYOU
In this class, we will take a tour of Louisiana with its Cajun and Creole dishes. We will prepare a traditional jambalaya, deviled crab cakes, shrimp and andouille pot pies, stewed corn and tomatoes with okra, chicken and sausage gumbo, Creole shrimp and a chocolate yummie, which is sure to please.

CEET0432Win5 1/19/22
Wednesday $69.00
Michael Fitzgerald Thompson Road Campus
6:00 PM - 9:00 PM 1 Session

Click here to register at www.ocmboces.org/adulted
There is an additional fee for required texts. All texts are available at first class unless otherwise noted.

**A TASTE OF THE SOUTH Y’ALL!**
We will prepare chicken fried steak with milk gravy, collard greens, Hoppin’ John, BBQ pork sandwich with pickled onions, shrimps "po’ boy" sandwich, fried green tomatoes with pimento cheese sauce, and a chocolate chip pie with ice cream. You will have a great time testing and tasting in this class. Y ’all will also be given online resources and challenging recipes to try at home.

- **CECAK0973Win5**
  - 1 Session
  - Thompson Road Campus
  - 6:30 PM - 9:00 PM
  - Traci Regan

**MORE CAKE DECORATING**
Explore even more decorating techniques as our Wilton-certified instructor teaches you the skills of royal icing. Learn how to create exquisite icing flowers and sophisticated ways to bring your cake to life. Get ready to impress your family and friends with a perfectly decorated dessert complete with breathtaking flowers and an amazing basket-weave design. Must complete introduction to cake decorating prior to taking this class. Please call 453-4600 to obtain supply list prior to class.

- **CECAK0974Win5**
  - 4 Sessions
  - 6:30 PM - 9:00 PM
  - Traci Regan

**CAKE DECORATING LEVEL I**
Learn the skills to making and baking the perfect cake! This four-week course will give you step-by-step instructions and everything from baking your first cake to presenting an enviable product. Our experienced instructor, who is Wilton-certified, will walk you through the process of making perfect icing and proper piping techniques to create lines, shapes, lettering, borders, flowers and more. You will quickly learn just how easy it is to make a perfect cake for any occasion! Please call 453-4600 to obtain your supply list prior to class.

This driver’s education program consists of 24 hours of virtual classroom instruction. The 24 hours of vehicle instruction must be completed with a licensed parent or guardian. Parent/guardian will be provided with a detailed curriculum/checklist that will allow them to document and attest that the student has received the 24 hours of combined in-vehicle instruction, observation and applied practice. This program is available only for high school students who are 16 years old before the first class and have a NYS learner permit. Proof of age must be emailed to registrar prior to class. Attendance is required for all virtual classroom sessions. Please call or send your registration in early as class size is limited. Textbooks are required at an additional fee. (Textbooks are available from BOCES or purchased on your own. ISBN: 978-0-13-367266-4)

ALL 5-HOUR CLASSES ARE VIRTUAL ONLY! We will be using the Zoom platform. Enrolled students must have a device with a camera and sound. All students must provide us with a valid email address. You will receive an email from Able 2 Driving the evening prior to class with all information needed for the virtual class. If you fail to show up or call to reschedule, you will not receive a refund.

You must have a photo ID permit; paper copies are no longer accepted. Available to all ages. Must call (315) 453-4600 to register or go to OCMBOCES.org to register online.

**Parent's Guide to College Financial Aid**

Michael Zoli, a certified college planner, will walk you through the steps to maximize your financial aid and get the most money from colleges. Topics covered include navigating the admission process, maximizing need- and merit-based aid, obtaining scholarships and grants, and how to succeed with college applications. Second parent may attend for free.

**How to Teach Your Kids About Money - New**

This class is designed to help parents teach their children simple financial strategies now, so they’ll be better equipped to deal with money matters on their own later. Help give your children a leg up and teach them how money works. You have the power right now to help your children avoid common money mistakes by helping them grow up “money smart!” Learn how to help your children to manage money wisely and avoid many of the money mistakes people make.

**Socially Responsible Investing - New**

This class will introduce you to Socially Responsible Investing (SRI), also termed ethical or green investing. SRI allows you to build your investment portfolio while doing good. This course will cover topics such as: the differences in various SRI themes, what SRI is, how you can implement an SRI strategy in your investment portfolio, investment choices in the SRI arena, and what to look for in a SRI investment.

**Back to Black: Creating a Debt-Free Life**

Do you want to live a debt-free and stress-free lifestyle? Learn how you, on your current income, can become completely debt-free, including being free from your home mortgage, in five to seven years! Using simple linear math, critical path technology demonstrates how to eliminate debt and become financially independent. Please bring your list of debts so you can begin to implement your plan immediately. A workbook fee of $5 is payable in class.

**Building Your Financial House**

Is it time to put your financial house in order? Learn how to set goals to achieve your dreams. You’ll understand key concepts to plan for retirement, pay off credit card or loan debts efficiently, build savings for education, protect your income and much more.

Click here to register at [www.ocmboces.org/adulted](http://www.ocmboces.org/adulted)
HOW MONEY WORKS
Learn the three root causes of financial problems along with an overview of the “Rule of 72,” the D’s of successful investing, credit card traps, debt payoff, life insurance and much more. Understanding these concepts can have an incredible impact on your personal finances. Here is where you can learn and take control.

MEDICARE PRINCIPLES - VIRTUALLY
This course involves a careful examination of Medicare principles, other Medicare insurance plans, awareness of the early-enrollment penalties and options for controlling costs. Emphasis will be placed on the development of basic principles and knowledge of what Medicare Advantage plans are, Medicare supplements, and prescription drug plans. This course also covers how to get additional health and prescription drug coverage for veterans and those on SSDI (disability). You will learn about the enrollment process, the initial seven-month enrollment period and how the Medicare enrollment periods work. This is an informational class to educate persons who are getting ready to retire, are approaching age 65, or who are 65 and older and looking for options.

**CONTINUING EDUCATION**

**KEEP YOUR HOUSEPLANTS ALIVE & THRIVING - NEW**
Houseplants are a great activity for those interested in gardening indoors and using live plants for decorative purposes. Session 1 will help you select houseplants that will do well in your home and teach you how to properly care for them so they are healthy and look their best. Session 2 will address common houseplant pests and diseases and what to do to protect your plants and minimize the damage. Learn to identify several houseplant pests and how to safely and effectively debug infected plants. This class is virtual using the ZOOM platform.

**PRINCIPLES OF GARDENING & LANDSCAPING**
Understanding plants and their relationship with the environment they live in is key to growing healthy plants. This class will provide an overview of plant structure and function, how to evaluate site conditions and select the right plants, how to conduct soil tests and apply soil amendments, introduce basic design principles, how to care for annuals and perennials, and show you how to safely and effectively manage pests and diseases. You will learn research-based gardening and landscaping practices that will reduce maintenance time and the use of synthetic pesticides and fertilizers. Taught by a NYS Certified Nursery and Landscape Professional with gardening experience, you will receive quality information and valuable resources to help you build a beautiful, eco-friendly garden and landscape you can enjoy year round. This class is virtual using the ZOOM platform.

**HOW TO PROTECT YOUR BIGGEST INVESTMENT: YOUR HOME - NEW**
You might be aware that your home looks a little different then it did when you purchased it. That is, of course, because homes age, move, shift, and settle over time. This aging process usually is not a problem or a cause for concern unless you let it go unnoticed. A home is one of the biggest investments you will make, so it is important to protect it. Doing this simply means being aware of the key areas you should watch for through seasonal inspections and maintenance. This course will address those areas so your home retains its value and beauty.

PHLEBOTOMY TECHNICIAN CERTIFICATION - NEW
Students will be introduced to the field of a phlebotomy technician in the classroom, physicians' offices, hospitals, and other health-related facilities. Students will learn phlebotomy technician skills, including but not limited to the following: specimen collections, specimen processing and handling, laboratory operations (e.g. safety, quality control, etc.) and anatomy and physiology of the cardiovascular system. Students will also be introduced to infection control/universal precautions and a career development module. Anatomically correct arms are used in class for practice, but 30 venipuncture and 10 capillary sticks on live individuals are required to qualify for certification. Students will be offered 60 hours of theory and practice and required to complete 85 hours of clinical externship with a healthcare provider. (These hours will be outside of the listed classroom hours.) Health clearance documents will be required once accepted into the class. No medical experience needed. Textbook and testing fees are additional charges.

DISCOVER THE TAROT
Unlock the mysteries of the Tarot, a centuries-old fortune-telling system. Learn how cards meant for game playing are used for divination and meditation. The Tarot’s Major Arcana consists of 22 cards signifying virtues, vices and elemental forces. The remaining 56 cards the Minor Arcana represent life events and are divided into four suits. Instructor Ron Cain will discuss the meaning of the suits, numbers, and symbols. Students will learn how to how to read the cards for friends, clients, and themselves. Several different layouts will be taught to provide the reader with different options for the client. $10 textbook fee required at first class. Students should bring a Tarot deck or plan to purchase one.

FINDING YOUR PSYCHIC SELF
Venture into the mysterious world of psychics and New Age practices. Discover how meditation, hypnosis and dream interpretation can help you develop your intuitive abilities. Instructor Ron Cain also discusses palmistry, numerology, card reading, color analysis, astrology and pendulum dowsing. You will also discover the psychic connection between sun-sign astrology, Chinese astrology, and Native American totems. Learn about auras (energy fields around your body), chakras (energy points in your body), and how to balance, mind, body, and spirit. Students should have a regular deck of cards. $10 textbook fee required at first class.

GATHERING OF GHOSTS
What should you do if you see a ghost? How do you get rid of one? Here’s your chance to study various types of ghosts and hauntings, including local spirits and haunts. Hear theories explaining ghostly phenomena and learn ghost-hunting techniques. Instructor Ron Cain sheds light on famous haunted houses and spooky places like the Amityville house, the Island of the Dolls, and the Bell Witch house. Ghostly tales from Hollywood and the White House will also be shared. Learn about ghosts from around the world, including Japanese ghosts (Yurei: faint or dim spirits, angry ghosts), Chinese ghosts (Jiangshi: hopping ghosts, hungry ghosts), ghosts of Mexico (La Llorona: Weeping Woman), Native American/Navajo ghosts (Chindi/ Dust Devils), Jewish folklore spirits (Dybbuk), Romanian ghosts (Strigoi), and many others. Harbingers of doom are also discussed, such as Banshees and Fetches from Ireland and ghost ships like The Flying Dutchman as well as scary spirits like shadow people, succubi, and poltergeists. The origins of Bedsheet Ghosts and the Boogeyman in folktales like El Cuco are investigated. Be prepared to share your own ghost stories! $10 textbook fee required at first class.

MYSTERIOUS WORLD: UNEXPLAINED THINGS & PLACES
Do alternate realities exist? Investigate strange creatures and supernatural phenomena. How do cryptozoologists distinguish between Sasquatch, the Abominable Snowman, and Wild Men of legend? Is the Loch Ness monster really a plesiosaur? Do UFO’s exist? Are the Pyramids of Giza, Easter Island, and Stonehenge places of raw power and magic? Are the Bermuda Triangle, the Devil’s Highway, and the Alaskan Triangle places of negative energy? You be the judge after you hear stories of monster sightings and aliens encounters. Could the Men In Black, Black-Eyed Kids, and Bigfoot be connected to extraterrestrials? Could objects, such as Annabelle the Doll really be cursed? Learn about other creatures, such as El Chupacabra, Batsquatch, Thunderbird, the Kracken, and the Boogyman in folktales like El Cuco are investigated. Be prepared to share your own ghost stories! $10 textbook fee required at first class.

PART-TIME

1. Every effort is made to conduct classes as listed in this catalog. However, circumstances sometimes make it necessary for classes to be canceled, postponed or combined, or for instructors and classrooms to be changed. We are sorry for any inconvenience this may cause you.

2. Classes must reach a minimum enrollment at least four business days prior to the start date. If it is necessary for OCM BOCES to cancel a class, you will be notified by phone or by mail. You may transfer to another class or receive a full refund or tuition voucher.

3. You are enrolled as soon as your registration and payment are received, unless you are otherwise notified. A receipt will not be mailed unless requested.

4. Fees for all classes must be paid in full at the time of registration. A $20 fee will be charged on all returned checks.

5. If it is necessary for you to withdraw from a class, please notify us.

   A. You will receive a refund (minus a $10 processing fee) if notification is received at least four business days prior to the start of that class.

   B. You will receive a tuition voucher (minus a $10 processing fee) if notification is received less than four days prior to the start of that class and before the second class session. Your tuition voucher may be used toward any part-time OCM BOCES Continuing Education course within one year.

6. Our programs are open to all persons regardless of residency. OCM BOCES affirms the right of all citizens to participate equally in our programs regardless of race, religion, sex, age, national origin, or disability.

7. Students are expected to purchase textbooks and materials as mentioned in course descriptions. Textbooks can be purchased in the Registration Office at the OCM BOCES Main Campus. If your class is scheduled for the Thompson Road Campus, textbooks for those classes will also be made available at the Thompson Road Campus the first night of class. Occasionally, classes are canceled due to low enrollment. Please make sure your class is running prior to purchasing supplies or textbooks, as texts are not returnable.

8. All parking areas and lots are designated for student use.

9. Certificates will be awarded for successful completion of classes (based on 80% attendance).

10. Although some of our classes are taught by people who are practicing financial planners, salespersons, or actively involved in a business or profession that is related to the subject they teach, we only endorse their ability as instructors, not the value of any product or service they sell.

11. We assume students recognize the risk of physical injury or damage and that they agree to take responsibility for any personal accident that might occur in the course of any activity associated with an Adult Education program.

FULL-TIME

STUDENT CONDUCT - FULL-TIME

Our expectations for student conduct in full-time certification programs is outlined in detail in our Student Handbook. As a student at OCM BOCES, you are expected to conduct yourself in a professional manner at all times. You will not engage in any behavior that endangers the safety and welfare of others, violates their rights or violates state statutes. To get a complete copy of the Student Handbook, please call 315-453-4400.

FINANCIAL AID & REFUNDS - FULL-TIME

Adult students at OCM BOCES may be eligible to receive many different forms of financial aid. A typical financial aid package may look something like this:

| Average Tuition: | $9,867 |
| Average Pell Grant: | $4,171 |
| Student Loan | $5,722 |

The actual cost for your education may vary. Not all students will qualify for a Pell Grant, local grant and/or student loan. Our Financial Aid Office staff will assist you in securing the best available financial aid package to suit your needs and help you attain your education goals.

Please call (315) 453-4422 in Liverpool.

FEDERAL TITLE IV REFUNDS

The financial aid (Pell Grant and student loans) earned by the student is equal to the percentage of the period of enrollment completed. When a student withdraws before completing more than 60 percent of the period of enrollment, the percentage of financial aid is prorated using the Federal Refund/Repayment Policy.

The returned funds must be refunded to the following sources in this specific order:

1. Unsubsidized Federal Direct Loans
2. Subsidized Federal Direct Loans
3. Federal PLUS Loans
4. Federal Pell Grant

VETERANS’ REFUND POLICY

Students not accepted by the school and students who never begin the program are entitled to a full refund of all tuition and fees paid.

In the case of student withdrawal after the commencement of classes, the school shall retain $10.00 of the registration fee plus a percentage of tuition and fees, which are prorated on a day to day basis. The refund is based on the last date of recorded attendance. All refunds will be made within 30 days from the date of termination.

See full course descriptions and register online today at: www.ocmboces.org/adulted

continued
OUTSTANDING BALANCES
Upon termination of enrollment, any balance due to OCM BOCES (based on the school’s refund policy) is payable immediately. All charges on the student’s account must be paid in full prior to the completion of the training program. OCM BOCES reserves the right to withhold student transcripts and deny approval for state board examinations to any student who has an outstanding tuition balance.

Onondaga-Cortland-Madison BOCES offers specialized, short-term clock hour training programs and is a non-credit bearing institution. Therefore, the institution does not allow students to transfer between programs within the facility.

WITHDRAWAL OR DISMISSAL FROM SCHOOL AND REFUND POLICY
To withdraw from school after beginning attendance, student must notify program coordinator of intent in writing, in person, or by phone. If withdrawal or dismissal occurs after the start of the program, tuition liability will accrue as follows:

- Withdrawal prior to the first day of class will require a $50 processing fee
- The student will be responsible for cost of supplies already issued or fees previously applied
- Up to 5% of authorized program hours offered, 20% of tuition will be charged
- Up to 20% of authorized program hours offered, 50% of tuition will be charged
- Up to 30% of authorized program hours offered, 75% of tuition will be charged
- Over 30% of authorized program hours offered, 100% of tuition will be charged

Tuition payments of more than $5.00 in excess of the amount owed will be made within 45 days of the last date of attendance.

CREDIT EVALUATION POLICY FOR VA RECIPIENTS
OCM BOCES will inquire about the previous education and training of each veteran or veterans who are eligible for benefits and request transcripts from all prior institutions, including military training, traditional college coursework and vocational training. Previous transcripts will be evaluated and credit will be granted, as appropriate.

ACADEMIC CALENDAR & GRADING
Full-time certification courses generally begin in the fall and winter. Please see specific programs for detailed start/end dates. Part-time courses run throughout the academic year. Specific class times/dates are noted in this course catalog. Grading is based on hands-on evaluations, tests, quizzes and in-class assignments.

- Students cannot miss more than 10% of the total hours of their respective programs. All arrivals and departures are recorded in our attendance system.
- Students must maintain a 75% average or better to maintain enrollment and qualify for internship/completion. Students who do not meet the 75% average requirement will be placed on academic probation for a period of time, and a written plan for remediation must be followed before the student is allowed to complete their internship.
- Students who withdraw or are dismissed must submit a written plan of correction for successful completion and satisfy all financial obligations. Re-admission packets are reviewed by a committee to consider re-admission.

TRANSFER POLICY - FULL-TIME PROGRAMS
Students transferring from another institution must provide official transcripts of any previous education received, including documented clinical hours.

Cosmetology:
A prospective student’s clinical competency skills will be assessed by the cosmetology instructor to determine his or her level of proficiency. The instructor and/or program coordinator will then determine the number of OCM BOCES clock hours required to complete the New York State licensing requirements. Tuition will be prorated based on the number of hours to be completed. Transfer students will be responsible for providing all kit supplies, including a mannequin.

Please Note: Transfer students must be enrolled for a period of 100, 300 or 700 clock hours.

Practical Nursing (PN):
The OCM BOCES PN program is broken into trimesters. A review of transcripts will determine if and when a previously enrolled student will be able to re-enroll in the program. Please reference the re-admission policy.

TRANSFER FROM OTHER INSTITUTIONS
Onondaga-Cortland-Madison BOCES offers specialized, short-term, clock-hour training programs and is a non-credit bearing institution. Therefore, with the exception of the Cosmetology Program, we do not allow students to transfer credits or clock hours from other institutions. (See above for Cosmetology transfer students.)

continued
TRANSFER WITHIN THE INSTITUTION
Due to the specialized content in each of our vocational training programs, clock hours attended are only applicable to each individual program. No transfer between training programs is accepted. Students are free to withdraw from a program and re-apply to another at the next scheduled start date. Acceptance to the new program will be based upon fulfilling all prerequisites and available space.

GRIEVANCE PROCEDURE - FULL-TIME
If you or any Onondaga-Cortland-Madison BOCES division of Adult/Continuing Education Program applicant/participant or other interested party have a grievance involving the program or treatment by any staff member, subcontractor's staff or any other person, regulation or WIOA or other program operation, you should notify the case manager or designated staff person of the program or department of the nature of the complaint.
If, however, you feel your complaint may involve fraud, abuse or any other criminal activity, you have the right to notify the United States Secretary of Labor directly. When a complaint is reported to the Secretary of Labor (those regarding fraud, abuse or other criminal activity), the grievant must additionally submit a written notification to the Director of Career, Technical and Adult Education at Onondaga-Cortland-Madison BOCES and the New York State Department of Labor in the case of a WIOA program.

For PN Students Only: PN may also grieve directly to the Office of The Professions.
The appropriate addresses are (PN only):
Director of Adult Education
Main Campus
PO Box 4754
Syracuse NY 13221

New York State Department Office of the Professions
89 Washington Ave
Albany, NY 12234

For complaints not involving fraud, abuse or other criminal activity, please adhere to the following procedure.
A complaint of this nature must be filed within one year of the occurrence of the grievance.

a. A complaint is a signed statement, which contains information that, if true, indicates in sufficient detail that there has been a violation. If State or local laws, regulations or guidelines are relevant, then citations should also be included.

b. Complaints must be sent in writing to the Director of Adult Education. Upon receipt of the written complaint, the Director of Adult Education or a designated staff representative will perform an investigation. This investigation will be made following adequate advance notice to the parties involved, will include the gathering of information through interview and examination of records concerning each allegation of the complaint, and will provide appropriate opportunity for the complainant and for OCM BOCES to present evidence concerning the allegations.

c. Within five (5) days after the receipt of the complaint, the Director of Adult Education, or a designated staff representative, will provide to the complainant a written summary of the complaint and notice of procedures to be followed in resolving the complaint.

d. Within thirty (30) days after receipt of a complaint, the Director of Adult Education or a designee responsible for investigation of the complaint shall conclude the investigation, transmit a written decision and contact the parties.

f. If you do not receive a decision from the District Superintendent within thirty (30) days of the date your original request was filed with him/her or you feel the decision made is not satisfactory, you may request a review of your complaint by the school's accrediting entity:

Council on Occupational Education
7840 Roswell Road
Building 300, Suite 325
Atlanta, GA 30350
(770) 396-3898 or (800) 917-2081

You must exhaust all steps at the institutional level before seeking resolution from the Council.

If you need help with your grievance, the program or department will assign someone to help you. You will always be allowed to have your own counsel or other representative assist you. Where there are allegations regarding the WIA program and there are other allegations whose resolutions are provided for under other legislation or collective bargaining agreements, you may proceed simultaneously in both places. If there are any questions regarding procedures, contact:

Supervisor, Adult Education
Main Campus
OCM BOCES
PO Box 4754
Syracuse, NY 13211

NON-DISCRIMINATION NOTICE
The BOCES shall not discriminate on the basis of age, sex, sexual orientation, race, color, creed, religion, national origin, political affiliation, marital status, military status, veteran status, disability, or under the Boy Scout Act in the educational programs or activities which it operates, or against any employee or applicant seeking a position of employment or admission to a BOCES program. The BOCES will be in full compliance with all applicable rules and regulations pertaining to civil rights for students and employees (e.g., Title IX of the Educational Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act of 1990).

Appropriate procedures shall be developed to ensure the implementation of these rules and regulations concerning civil rights. The Board shall appoint a Civil Rights Compliance Officer to coordinate civil rights activities applicable to the BOCES (see subheading below).

Civil Rights Compliance Officer
The Civil Rights Compliance Officer is the Director of Human Resources/School Attorney, with offices at 110 Elwood Davis Road, Liverpool, NY (phone number 315-433-2631; e-mail jbufano@ocmboces.org). The Civil Rights Compliance Officer shall be appointed by the Board and shall be responsible for providing information, including complaint procedures, and for handling complaints relative to civil rights (e.g., Title IX of the Educational Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, and the Americans With Disabilities Act of 1990) for any student, parent, employee or applicant. For civil rights discrimination claims based on race, color, national origin, sex, age and/or disability, a complainant can, at any time, also contact the Office of Civil Rights. Phone: 646-428-3900/800-421-3481.
