### Career & Technical Education

New York State’s approval process for Career and Technical Education (CTE) programs has raised the quality and rigor of courses that prepare students for employment and postsecondary study. Approved programs lead to an industry-recognized credential or certificate at the postsecondary level, or an associate or bachelor’s degree. CTE courses offer students the opportunity to apply academic concepts to real-world situations and prepare them for industry-based assessments or certifications. They have the opportunity to earn college credit or advanced standing while still in high school and take part in work-based learning opportunities where they demonstrate mastery of skills essential in the workplace. In addition, our Technically Endorsed programs, embedded in area businesses, have been recognized by District Administration magazine as one of more than 30 national innovative programs.

In 2021, 412 seniors from OCM BOCES’ component districts were eligible to earn CTE endorsements on their high school diplomas, including Baldwinsville students Alexia Amodei, Michael Bonner, Hannah Butler, Ridge Coon, Ryan Covert, Joshua Czeresko, Olivia Daanui, Matthew Dykve, Olivia Diniet, Daniel Durkee, Kathleen Dryer, Kail Gregoire, Aubrey Hemund, Angelina Hightower, Brian Hudson, Madisyn Jordan, Kail LaShornis, Edine Luke, Laura Martin, Aidan McAlhaney, Kyle McDaret, Nathan Monica, Jackson Monteverly, Jayden Nanna, Jacob Neish, Zackary Osier, Justin Otter, Manniah Pease, McArdell, Nathan Monica, Jackson Monterville, Jayden Nanna, Jacob Neish, Zackary Osier, Justin Otter, Manniah Pease, Timothy Pfeifer, Zackory Richardson, Lauren Shaler, Lilli Shannon, Cindy Spano, Adam Springstead, Aydan Sullivan, Brandon Thompson, Adam Tucker, Adrian Vanfossen, Ryan Wilson and Makenzie Wolcik.
